KNITTED CHRISTMAS BOW

YARN

Anna and Clara's mohair nylon yarn, 1 ball (25 g/215 m).

Anna and Clara's metallic yarn, 1 ball (23 g).

KNITTING NEEDLES

Straight knitting needles size 5 mm.

KNITTING GAUGE

In garter stitch: 5 x 5 cm = 9 stitches x 6 garter stitch rows.

HOW TO KNIT A CHRISTMAS BOW

Using two strands of mohair nylon yarn (pull a strand from the inside of the ball) and knitting needles size 5 m, cast on 3 stitches (sts). Now work back and forth.

Row 1: Slip the first stitch purlwise, knit (k) the remaining sts.

Row 2: Slip the first stitch purlwise, make 1 st through the back loop between the first and second sts (k1 tbl), k to end of row (r).

Repeat these 2 increase rs until there are 16 sts in the r.

To continue: Work in garter st until your work measures 60 cm. Slip the first 1 stitch in every row.

Now decrease in alternate rs as follows (and make sure that you decrease on the same side as you increased): Slip 1 purlwise, knit 2 stitches together, k to end of r.

Continue until 3 sts remain. Cast off.

Weave in ends and tie your bow. You can tie your bows directly onto the Christmas tree or attach a cord to hang.

Great on a hair clip or sewn to a scrunchie.
