### YARN

Anna and Clara's cotton yarn, 3 balls  
(each 50 g/160 m).

Col 1: 1 ball. Sage Green 16-0421.

Col 2: 1 ball. Greener pastures 19-6311.

Col 3: 1 ball. Brownie 18-1321.

### CROCHET HOOK

Size 3.0 mm.

### HOW TO CROCHET THE CHRISTMAS TREES

The Christmas trees are made of several cones  
in different sizes, each crocheted from the tip  
and outwards.

Start all cones as follows:

Make a magic ring and work 5 double crochets  
(dc). Leave the yarn tail on the outside of the cone  
and use it as a stitch marker at the start and end  
of each round (rd). Close the ring with 1 dc.

### CONE 1

Start with Col 1 for the small tree.

Rd 1: Work 4 half treble crochets (htr), then 2 htr  
in the next stitch (st) (6 sts).

Rd 2: \*1 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd (9 sts).

Rd 3: \*2 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd (12 sts).

Rd 4: \*1 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd (18 sts).

Rd 5: \*2 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd, 1 dc, 1 slip stitch (ss) (24 sts).

Break off yarn and put the first cone to one side.

### CONE 2

Start cone 2 in the same way and work rds 1-4 as  
described for cone 1.

Rd 5: \*2 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd (24 sts).

Rd 6: \*1 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd, 1 dc, 1 ss (36 sts).

Break off yarn and put the second cone to one side.

### CONE 3

Start cone 3 in the same way and work rds 1-5 as  
described for cone 2.

Rd 6: \*2 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd (32 sts).

Rd 7: \*2 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd, 2 htr, 1 dc, 1 ss (42 sts).

Break off yarn and put the third cone to one side.  
The little tree ends here.

Now start again using Col 2 and cone 1 to make  
the big tree.

### CONE 4

Start cone 4 in the same way and work rds 1-6 as  
described for cone 3.

Rd 7: \*2 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd, 2 htr (42 sts).

Rd 8: 3 htr, \*5 htr, 2 htr into the next st\*, repeat  
from \* to \* to end of rd, 2 htr, 1 dc, 1 ss (49 sts).

Break off yarn and put the fourth cone to one  
side.

### CONE 5

Start cone 5 in the same way and work rds 1-6 as  
described for cone 3.

Rd 7: \*3 htr, 2 htr into the next st\*, repeat from \*  
to \* to end of rd (40 sts).

Rd 8: \*3 htr, 2 htr into the next st\*, repeat from \*

to \* to end of rd (50 sts).

Rd 9: \*3 htr, 2 htr into the next st\*, repeat from \* to \* to end of rd, 2 htr, 1 dc, 1 ss (62 sts).

Break off yarn and put the fifth cone to one side.

#### BASE

Using Col 3, start with a magic ring in the same way as for the cones.

#### SMALL TREE

Rd 1: 4 htr, 2 htr into the next st (6 sts).

Rd 2: 2 htr into every st (12 sts).

Rds 3-5: 12 htr.

Rd 6: 2 htr into every st, 1 dc, 1 ss (25 sts).

Break off yarn and put the tree base to one side.

#### LARGE TREE

Rd 1: 4 htr, 2 htr into the next st (6 sts).

Rd 2: 2 htr into every st (12 sts).

Rds 3-6: 12 htr.

Rd 7: 2 htr into every st, 1 dc, 1 ss (25 sts).

#### HOW TO ASSEMBLE THE CHRISTMAS TREES

Pull the loose end at the tip of all the cones through to the inside. Weave in other tails. Now assemble the cones by dragging the loose end of cone 1 through the top of cone 2. There are now two tails hanging from cone 2. Now pull both tails through cone 3 and so on until all the tails hang out from the base. Tie a knot in the yarn and snip off the tails.

Assemble the large tree in the same way. Put a little stuffing in the tree base for extra stability.
