## HOW TO KNIT A WARM WOOLLEN SHAWL

Using circular knitting needle, size 6 mm, length 80 cm, cast on 8 sts. (Work back and forth on the circular needle)

### Row 1: (right side)

Slip 1 knitwise, \*increase 1 st in each of next 2 sts, knit 1 st\*, repeat from \* to \* once more, knit 1

### Row 2: (wrong side)

Slip 1 knitwise, purl to end (12 sts)

### Row 3: (right side)

Slip 1 knitwise, \*increase 1 st, knit 2 sts\*, increase 1 st, knit 1 st, repeat from \* to \* twice

### Row 4:

Slip 1 knitwise, purl to end (16 sts)

Continue increasing 4 sts on each knit row until the shawl has the desired size.

If you have knitted the shawl in single-colour yarn, you could choose to switch to a different colour for the last 8 rows.

Finish by working 1 row in garter stitch on wrong side and cast off on the next knit row.

Weave in ends.
